Reviews

Definitely one of the better publication I have got possibly read. It really is writter in basic phrases and not difficult to understand. You wont sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).

Booksurge Publishing, United States, 2009. Paperback. Condition: New. Language: English. Brand new Book. "Heaven Bound In The Dead Of Winter" - was originally inspired by a very persistent dream.night after night. This was a dream that didn't want to end. No matter how hard I tried to escape, it persisted. This left me with a couple of options. I could shake it off and try to forget it or attempt to understand its message. I have opted to stay in my dream for awhile. I would like to take you along. There seem to be so many perceptions of life after death "Heaven" if you will! Who will be going and when will this occur? Where is this Utopia and what are the qualifications for this eternal reward? The curiosities and queries are virtually endless. While at the same time, there are many that simply mock the very thought of something so spiritual. Science and religion seldom make good partners. Angels abound throughout these pages. Without these Angels, so many would have lost their way. For some of us, these Angels may be the last voice that we hear - at least on this earthly mission, whatever that may be. We should always listen to our Angels - because Angels don't lie! In the chapter - "An Empty Room Yet So Crowded"- you'll meet many folks trying to find their way. Hopefully, you will find these souls heart lifting - peaceful and inspiring. This effort is intended to heighten the reader's awareness and offer a window into the varied circumstances in which we all live and die. This diverse cast of characters are preparing for and anticipating God's final call. Some will linger in their doubts as they wait for that last train. Most will pray and wait. A few,...
